

Childcare during Saturday Services!

Dear Parents,

We are happy to announce our new childcare program for children up to the age of Bar/Bat Mitzvah. Frau Maria Lifschitz, an education student, will keep the kids busy in the Shi'ur-Room with games, handicrafts and stories during our Shabbat Shacharit services.

Together with Rabbi Klapheck, we would like to offer Egalitarian Minyan families a carefree way to attend our services. We are always interested in your

feedback and suggestions on how we may improve our programs. Please feel free to contact us.
