

## Service, Kiddush & Night of Learning Dec. 24

Chanukkah sameach, Chevre,

This week there will be no Shabbat service; instead we will meet this coming **Saturday evening, December 24**, for our traditional **Night of Learning**, this time with **Chanukkah party**. We will begin with a **Ma'ariv service at 6:30 PM**. After **kiddush** we will enjoy our **Night of Learning**.

Rabbi Klapheck will hold a shi'ur: »Dreams and Nightmares - representations of the messiah in the Tanach«. We will read a selection of texts from the Book of Daniel. Of course we will also play our famous Bible Quiz, ever in the hopes that our kids won't beat us ... too badly ...

This kiddush (dairy / fish) will focus on latkes, sufganiot and co. Applesauce will be provided, but we would appreciate lots of latkes etc. Thanks in advance to all who bring food and help before and afterward!

The next Shabbat service will be Saturday morning, December 31. Your appetites are all you will have to bring to kiddush, because Marcella, Tania and I will be sponsoring it. Details in the next posting.

Chag urim sameach!

Leah
